The Secretary to the

General & Revenue departments.

Sir.

Adverting to G.O. No: 16859
K. & 61-92

of the 19th June/01 enquiring why the difference between the instalments originally sanctioned and that now recommended towards the repayment of the loan of Rs 2500/- for constructing a market at Tarikere cannot be met from the large closing balance of that Municipality, I have the honor to state that the Municipal Board of Tarikere have in their meeting of the 29th June/01 resolved to the effect that any deficit amount, may as pointed out by the

Contd.

Government, be met from the closing balance of the Municipality.

2. The market was completed and opened to public on 1st November/00 and it was leased out at Rs 85/- per mensem. Owing to the prevalance of Plague in the surroundings and Cholera in the town and surroundings, the lease was reduced and there was altogether a net receipt of Rs 510/- till the End of June/01.

3. To repay the 1st instalment amount of Rs 1250/- Rs 740/- will have to be appropriated from the closing balance. I beg therefore to request that you will be so good as to obtain the sanction of Government to this proposal and authorize the Comptroller to adjust the amount by book transfer in the accounts of this office for the past year 1900-1901.
